Leroy reported on the tower. It has a new pwr supply and 2 batteries with charger. Is operational 24x7

New Business

Thom reported there had been some misconceptions about the Tech class that is being held on March 24. It is for Heartland hospital employees only. It is an 8 hr class with testing immediately after the test.

Lee reported on the FTM-100DR raffle. 50 of the 100 tickets have been sold. The raffle will be held on at the UC meeting after all 100 tickets have been sold.

Internet for the tower was discussed. It would cost \$27/month. Discussed putting one of the Winlink 2M radios there. Decision pending on testing whether the Winlink radio would cause interference with the repeater.

Discussed restarting the best night net on the new repeater. With Ashley as net control. TBD

Motion to adjourn. Thom
